Wall-Paper at One-Half Retail Prices

THIS BOOK shows actual samples of Larkin Wall-Paper and includes side-wall, border and ceiling papers suitable for Parlor, Library, Hall, Dining-Room, Bedroom, Kitchen and Bath—forty-one different patterns for you to choose from.

The prices named herein, like all our Catalog-prices for Products, are the same as you would pay at retail for papers of the same high quality. Larkin Factory-to-Family dealing, however, always cuts these prices in half and gives you double retail value of every Larkin Product. In proof of this, you can get \$20 worth of Larkin Wall-Papers (figured at Catalog-prices) for \$10, or you can get \$10 worth of Wall-Paper and your selection of any Premium Merchandise offered in our Catalog as given with a \$10 purchase of products.

This means that Wall-Paper listed at 14c per double roll costs you but 7c; that listed at 20c, costs you 10c etc. These are the very prices you would pay at a store for *single* rolls. Buying from us your Wall-Paper expense is cut in half. The saving (50%) is the same throughout the entire list of Larkin Products in any selection in which Wall-Paper may be included.

When you consider the *prices* of Wall-Papers, it is necessary to also take into consideration the question of *quality*. There's a big difference in the quality of Wall-Papers. Some of the cheaper papers look real nice at first glance but the paper itself is poor, the colors are poor, the printing is poor—they are decidedly unsatisfactory, fade quickly and are hardly worth the labor of hanging. Larkin Wall-Papers are not to be classed with cheap papers. We use a paper-stock of adequate strength and quality. The printing too is done carefully by skilled and efficient workmen.

Selection of Colors Important

In selecting Wall-Paper for different rooms do not use warm red or delicate tints for a room with a southern exposure, especially if there are numerous windows in it. Red would make the room unbearable in the summer time. Green, brown, tan, blue or gray should be used. Rooms with a northern or eastern exposure should be papered with bright, warm colors, such as pink or yellow which give a warm, cheerful appearance. West rooms admit of the widest latitude of personal choice. You should always take into account the size and height of the room and select a pattern that will be right in "scale"—a small figure for a small room and a larger figure for a large room. This will help to bring everything in the room into the right proportion. Dismiss for once and all the mistaken notion that certain colors (green and blue for instance) are injurious to health because they contain arsenic. Larkin Wall-Papers, no matter what color, contain no arsenic or other injurious ingredients and are just as safe to have on your walls as pure white paper would be.

Our Guaranty of Satisfaction

If the paper you order from us is in any way unsatisfactory, if you don't like the color or the pattern, you need not keep it. We will gladly exchange it for something else or you may return it at our expense and we will refund the entire amount of your order, freight-charges included. In fact we will send your order (up to \$10 worth) on thirty days' credit and you may pay us at the end of that time only if entirely pleased, otherwise we'll remove the goods at our expense.

The enclosed Order Blanks are for your convenience in ordering. If you lose them, send for more, or use ordinary paper.

Instructions For Estimating Amount of Paper Required

Estimating the amount of paper required for a room is very easy indeed if you will follow these few simple instructions.

First measure the distance (in feet) around the room. Then measure the height from floor to ceiling. By referring to the table printed below you can readily determine the amount of Wall-Paper required.

Do Not Deduct For Windows or Doors As We Have Made Allowances In Our Table

Note Carefully Larkin Wall-Paper is furnished in double rolls only. The Side-Wall and ceiling paper contains 16 yds.,

18 in. wide. Each roll will cover 60 square feet of surface. The Wall-Paper border is printed on paper 19½ in. wide. There is nothing narrower printed; therefore, in manufacturing a 9-in. border, two borders are printed on one width of paper and a 16 yd. roll contains 32 yds. of border. When a customer orders 16 yds. of 9-in. border, we send 8 yds. of regular width paper which contains 16 full yds. of 9-in. border. The narrower borders, 2¾ in. and 3 in. wide, are printed six widths to the roll and have to be cut into strips. Just order the total length of border paper you need and we will send you the correct amount.

An Important Caution We strongly advise you, when ordering, to purchase slightly in excess of your actual needs. This will give you extra paper for use if some is spoiled when hanging or damaged later.

Directions for Making Paste and Suggestions for Hanging Wall-Paper

How to Make Paste Take three pints of good wheat flour and stir in two tablespoonfuls of powdered alum (omit alum if our plain oatmeal paper is to be hung); mix until smooth in two quarts of luke-warm water and add eight quarts of boiling water. Boil until thoroughly cooked, stirring constantly for 10 minutes. When cold, thin with cold water until it is just thick enough to run off the brush. This will make sufficient paste for a large room.

How to Make Size If walls have never before been papered or have been kalsomined or whitewashed, they should be gone over with a thin coat of size before papering.

To make size—Take 1 lb. of glue (powdered, if obtainable) and soak for 12 hours in cold water; add 12 quarts of hot water and one tablespoonful of powdered alum. Walls that have been painted should be gone over with a solution consisting of one part ammonia and six parts water before papering.

Board walls or board ceilings should be covered with cheese-cloth, tacked down and sized before papering.

How to Hang Paper Tools needed—For a pasting-table, have 2 or 3 smooth boards 6 or 8 ft. long laid side by side on a table or boxes. As a platform for papering the ceiling, have a plank or board nearly as long as room and placed on boxes of such a height, that when standing thereon, your head will come about 6 inches from the ceiling. A step-ladder will be found a great convenience when papering the side-wall. A paste-brush 6 or 8 inches wide; a smoothing brush—a whisk-broom will answer—a pair of your longest shears, a seam-roller (a bed-caster will serve) will be all the tools required.

Prepare the walls for papering. All old paper should be torn off, if possible, and all new walls sized. Any breaks in the plaster should be filled with plaster of paris or have cloth pasted over them.

To Paper the Ceiling Paper the ceiling first. Find the length of the strip required, unroll the paper on the paste-table, face upward; match it and cut the number of strips required for the ceiling. Have the strips long enough to come down on the side-wall at each end. Turn all the paper face down. Apply the paste evenly and not too thick. When one-half is pasted, fold that end over to the center, pasted surfaces together, being careful to have the edges even. Then paste and fold the other end in like manner. Then with the shears, trim off one edge of the pasted paper to the printed pattern. Don't trim both edges. Draw a line across the ceiling, 16" from the wall for a guide for hanging the first strip.

Take up the pasted strip which has been folded and trimmed and begin at the right-hand side, as you face the wall; unfold one end and place the selvage-edge against the line on the ceiling, which will let the trimmed edge hang down on the side-wall about 2". Start smoothing it out, keeping the edge of the paper on the line and unfold other end of the strip as you are ready to smooth it out. Use the first strip as a guide for the second and so on, being careful to match the pattern in the succeeding strips. Use the seam-roller (or caster) to smooth out the laps after each strip has dried for ten minutes.

To Hang Side-Wall Cut strips the required length, allowing for matching and for width of border at the top. Paste and trim as for ceiling. Begin to hang with a door at your left and work to the right; being careful to get the first strip plumb. Continue around the room, filling in over and under windows with short pieces. Care should be used in smoothing down paper around casings.

To Hang the Border Hang the border last. Cut into strips of convenient lengths and paste. Trim both edges. In hanging, care should be used to hang border on a straight line. If border is to be cut out, this should be done before pasting.

To Make House-Cleaning Easy

There's no better time for house-cleaning than right after you have finished papering and no better place to go to make house-cleaning easy than to the Larkin Product List for "work-savers". We are showing a few Larkin "work-savers" here by way of reminder—but if you'll refer to the Larkin order blank you'll find many more. Remember the prices are double the actual cost to you when the premium-value is considered.

Sweet Home Family Soap
Per carton, 10 bars, 50 cents.

An absolutely pure soap, sweet and wholesome, made from refined tallow and vegetable oils. Has no superior for laundry use or house-cleaning.

Boraxine Soap Powder
Per full-pound package, 10 cents.

Unexcelled for general cleaning and dish-washing. It is a thorough disinfectant, saves half the labor of washing, and is a blessing to everyone who uses it.

Wall-Paper Cleaner
Per can, 10 cents.

Removes dirt and grime, soot and marks of fingers from wall-paper, window-shades, calcimine and fresco.

Cleaning Paste
Per 1-qt. can, 25 cents.

For cleaning painted and varnished surfaces of all kinds. Gold, silver and all metals; cut-glass, windows, bath-room fixtures, enameled ware, marble, stone and cutlery. Cleans without soiling the hands or clothing. House-keepers' friend.

Honor Bright Scouring Soap
Per bar, 5 cents

Brightens and cleans all metallic and mineral surfaces, cooking-utensils, oil-cloths, wood-work, and removes oil, gum, grease, and rust.

Scouring Powder
Per 1-lb. can, 10 cents.

A ready cleanser for cleaning enameled, metallic, mineral and wood surfaces, a great labor-saver. It removes dirt, grime, grease, rust and corrosion, making the surface bright and clean.

Ammonia
Per 1-pint can, 15 cents.

Highest quality, excellent for the laundry, kitchen and bathroom. Lessens the labor of washing; makes the clothes snowy white. Removes spots and stains from clothing without injury. Excellent also for bath use as it thoroughly cleanses the skin and destroys the odors of perspiration.

Shelf Paper
Per package, of 30 yards, 30 cents.

Best quality white, heavy, smooth-finish paper, 11 inches wide, fancy-cut border, 4 inches wide. Embossed and perforated. Does not tear easily.

---	--

This is the same design as number 161, but is here shown in the always-popular blue-and-white lace treatment. In the decoration of bed-rooms with a southern exposure or warm light, this paper cannot be surpassed. The border-design shows the main features of the side-wall and the deep valance can be cut out, thereby enhancing the drapery idea. Has a white polka-dot silk-lace design in the ceiling as illustrated.

Helpful Things To Have Around The House

All Given As Merchandise-Bonus,
With Purchases of Larkin Products

No.
120

Carpet-Sweeper No. 120

This Carpet-Sweeper and \$10 worth of Larkin Products for \$7. Sold alone for \$2.25.

National Carpet-Sweeper. Has roller bearings; hand-polished Mahogany-finished case; nicked trimmings; steel bail. Best Hankow bristle brush; anti-tipping device; brush-release. Brush can be adjusted for long, medium or short nap carpets. Has braid furniture-protector; rubber-tired wheels; friction-rings; tight-fitting handle. Each dust-pan dumps separately. No better sweeper made. Combines the latest improvements.

Mrs. Potts' Sad-Iron-Set No. 309

This Sad-Iron-Set and \$10 worth of Larkin Products for \$5.90. Sold alone for \$1.05.

No. 309

Set consists of three irons, one 4-lb. with one end rounded for polishing and two double-pointed, $5\frac{1}{2}$ and $5\frac{3}{4}$ lbs. Heavily nickel-plated. They make ironing easier; every iron is perfectly true. The stretcher or iron part of detachable-handle will not break. Enameled sheet-steel stand.

Clothes-Horse No. 205

This Clothes-Horse and \$10 worth of Larkin Products for \$5.50. Sold alone for 65 cents.

Made of Basswood or Cottonwood with beech dowels. Folds flat when not in use. Very strong and steady. Has $26\frac{1}{4}$ ft. drying space. Weight, $8\frac{3}{4}$ lbs.

Imperial Rotary Washer No. 150

Given with a \$10 purchase of Larkin Products. Sold alone for \$5.50.

One of the lightest-running, strongest and most perfect Rotary Washers on the market. Capacity, 20 gals. Adapted to a family of six to twelve. The tub, of clear Cypress, is made with the large end down, allowing plenty of room for water and clothes; natural finish varnished. Bottom and sides fully corrugated. Hoops are of extra heavy steel. Hand-wheel turns backward or forward. Weight, 64 lbs.

No. 150

Five-Foot Step-Ladder No. 209

This Ladder and \$10 worth of Larkin Products for \$5.90. Sold alone for \$1.10.

A serviceable step-ladder. Strong and durable. Sides and back are made of selected basswood or Norway pine; hardwood steps; both sides and steps are supported and reinforced in a most thorough manner by steel truss-rods. Has shelf-bracket and self-locking steel-braces. Top is fastened with large rivets. Will hold over 600 lbs. Weight, 14 lbs.

No. 209
No. 411

Six-Foot Step-Ladder No. 411

This Step-Ladder and \$10 worth of Larkin Products for \$6.10.
Sold alone for \$1.25.

Same as Step-Ladder No. 209, except it is a 6-foot Ladder. Weight, 20 lbs.

Curtain-Stretcher No. 115

This Curtain-Stretcher and \$10 worth of Larkin Products for \$6.50.
Sold alone for \$1.75.

An adjustable Curtain-Stretcher; extends to 6 x 12 ft. Has easy-sliding, nickel-plated brass Hump-Guard Pins that can be adjusted to any size scallop without injury to curtain or fingers.

Frame is made of selected basswood, smoothly finished; face of frame is printed with $\frac{1}{4}$ -in. scale. Self-squaring corners. Patented loop corner clamp with cam lock, doing away with nuts and bolts. Truss-brace center-support makes stretcher very rigid. Has attached easel-support at each end. Weight $18\frac{1}{4}$ lbs.

Everything You Need To Paint With

ALL Larkin Paints cost you one-half the retail price for Paints of equal quality. The prices given here are Larkin Catalog-prices which represent regular retail worth. The actual cost to you is one-half these Catalog-prices when you select \$20 worth of Paint (or other Products if preferred) without Premium Merchandise for \$10. Example: A gallon of House Paint at \$2 costs you but \$1; a gallon of Floor Paint at \$1.65 costs you but 82½ cents, etc.

**At One-Half
Usual Retail
Prices**

Larkin House Paints These paints are for either outside or inside work and are made to withstand any climate. We make them in twenty different colors: Black, Light Blue, Medium Blue, Dark Blue, Buff, Chocolate Brown, Pearl Gray, Drab, Dark Gray, Apple Green, Pea Green, Yellow Green, Deep Olive, Fern Green, Blind Green, Venetian Red, White, Medium Yellow, Orange Yellow, and Maroon. Catalog Prices: Quarts, 55c.; Gallons, \$2.00. We also will make any special color desired, if ordered in 8-gallon lots or more. Catalog Price, per Gallon, \$2.00.

Larkin Floor Paints These Paints will withstand the action of weather, scrubbing, etc., and can be used on outside porch floors as well as on inside floors. We make them in five different colors: Dark Brown, Gray, Green, Terra Cotta and Yellow. Catalog-Prices: Quarts, 50c.; Gallons, \$1.65.

Larkin Inside Finishes In addition to our Ready-Mixed House Paints and Floor Paints, we also make various inside Finishes suitable for either old or new work: Inside White, White Enamel, Flat White, Flat Black, Clear Varnish, Colored Varnishes, Bronzes, Floor Wax, etc. For prices see our Catalog, order blank or color-card.

Larkin Brushes We also offer a line of Paint and Varnish Brushes in common use: all guaranteed by us to be made of the highest grade of China bristles set into hardwood handles with nickel-plated bindings. For kinds, sizes and prices see our Catalog or order blank.

Send for Larkin Paint Color-Card

It shows our paints in actual colors; suggests proper combinations of colors to use; tells you how much paint to buy, etc.
